### Member Comments:

Appointment at my house was kept on time. Spoke w/Steve Spector, one of the family members of the business. I explained what I wanted. After assessing the job, he told me the work I wanted was overboard and not necessary. He took his time to discuss several options.

Prior to agreeing that Mr. Contractor would do the work, Steve offered an additional discount.

The day after signing the contract, I had several questions, Steve was quite responsive and answered my questions.

The work was started and completed per contract.

I actually called to have additional work done on my house.

So far, I'm satisfied with Mr. Contractor and would recommend to others.
