Description Of Work:

We've used Kenny & his guys from Mr. Contractor for lots of work, & they've been great with all of it -- completely redone kitchen, new roof, remodeled full bath, you name it. They're professional, punctual, & knowledgeable. Perhaps most importantly, they take pride in doing their work the way WE want it. If there's anything you're dissatisfied with, whether large or small, they'll redo the entire thing or discuss other options to make sure you get what you want. They're pricier than some other contractors out there, but they're worth it.
