Services Performed: Yes
* More Weight is given to a review where work has been completed.

Work Completed Date: September 23, 2011

Hire Again: Yes

Approximate Cost: \$8,000.00

Home Build Year: 1947

Description Of Work:

Kitchen-removal of trim to doorway, windows and ceramic tile from walls. Sheetrock walls, retrim doorway, add new window sills and four inch baseboard and crown molding to ceiling, install new kitchen door with new hardware and replace three electrical outlets. A Dura ceramic tile floor for 12x11 kitchen area was installed with beige rubber cone base under the cabinets and a glass and stone back splash around the sink and stove area. All walls and trim was painted.

Foyer-a Dura ceramic tile for 5x5 foyer area was installed with new trim and painted.

Member Comments:

The work started two days after the contract start date of 09/19/11, however the workers more than made up for the late start. The work performed was excellent, the workers were very professional, worked non stop without any breaks, cleaned up at the end of each work day and completed the job before the estimated completion date; which made up for the late start. I am pleased with the up grades to my kitchen and foyer.
