### Member Comments:

From the day Kenny came to my home to view the proposed project space until the final coat of paint was on the wall he was available day or night to answer any questions we had - and we had a lot!

Everyone that came through our house and did any work for this project were complete professionals. We'd like to personally thank every one of the guys who worked on this project.

We could not be more pleased with our new luxurious bathroom!

We will, without hesitation, hire Kenny and his crew again for our next home improvement project.
