### Description Of Work:

Over the years, Mr. Contractor has done many projects in our house. They are among the very best we've ever used. Most recently, they remodeled our basement which involved excavation, and some crafty carpentry.

### Member Comments:

The work is always superb. Mr. Contractor and the entire crew are professional and trustworthy.

They are on time and complete jobs on time.

Mr. Contractor is probably on the higher end of cost/estimates. But they never go over a budget once it is set. There is no bait-and-switch. You can count on their estimates to be accurate. And we have found that although they are not the least expensive bid, they are the most trustworthy and reliable.
