Member Comments:

Mr. Contractor was great to work with. They were very timely in giving an estimate, starting the work and completing the work. Barry was our contact and he was very good with, communicating with us every step of the way. He kept checking in to make sure we were happy with the work and always informed us if anything unexpected came up. The work is beautiful and exactly what we were hoping for. Barry seemed to really care about the quality of the work and making sure we are happy with it. We are excited to enjoy our renovated space!
